OVERVIEW

UNLOCK POTENTIAL. DRIVE VALUE.

ACON Investments is a middle-market private equity investment firm led by a cohesive team that has been investing together for over 23 years. We partner with management teams to create value through separate funds for our investors across a wide range of industries in the U.S. and in Latin America. Founded in 1996, ACON is responsible for managing approximately \$5.5 billion of assets with a diverse portfolio of companies spanning over 65 investments.

IN FOCUS

FLEETWASH

ACON acquired a majority stake in Fleetwash, Inc. Fleetwash, based in Fairfield, New Jersey, is the largest mobile fleet washing and facility service company in the U.S. Fleetwash operates 56 facilities across the United States and serves approximately 6,000 customers ranging from small businesses to Fortune 100 companies who value the Company's national scale, consistency in service, broad range of service offerings and proprietary environmentally-friendly processes.

CORE INDUSTRIES

UNCOVERING GROWTH

ACON has a successful track record investing in value irrespective of overall macroeconomic trends. We evaluate long-term economic trends seeking industries that stand to benefit. Within these industries, we identify niche markets that offer competitive advantages and embrace complex situations as a means to uncover hidden value.
