STRATEGIC-GUIDANCE | OPERATIONAL-EXPERTISE | TAILORED-SOLUTIONS

Windjammer invests in leading middle market companies and supports management in their initiatives to grow earnings and build shareholder value. The firm has the unique capability to provide multiple layers of the capital structure, including control and non-control private equity and subordinated debt financings. With 4 funds raised to date and a track record of over 25 years successfully partnering with family-owned businesses, executive teams, and co-investors, Windjammer has the capital resources and broad experience to assist managers in creating value at all levels of a company's operations.

Portfolio

"Windjammer has been a great partner for our business and provided access to valuable operating resources. They take a collaborative approach to value creation that supports, encourages, and challenges the management team." Ken Biele, JWC Environmental
