## LGT Investorama: Only when the tide goes out do you discover who's been swimming naked

LGT Capital Partners recently celebrated its 20th anniversary. Most of the time, anniversaries provide a good occasion to look back. Remember: 20 years ago, the impending computer crash - the "Millennium Bug" - kept the public in suspense during the transition to the next millennium. There were even voices predicting apocalyptic scenarios. There are parallels between the prophecies of that time and today's mood among investors. A large number of investors also believe that we are approaching the end of the (market-)cycle.
