About Sentinel

Sentinel Capital Partners is one of the nation's leading private equity firms focused on the lower midmarket. We invest in management buyouts, corporate divestitures, acquisitions of family businesses, going-private transactions, and operational turnarounds in partnership with management in the United States and Canada. We seek to invest in businesses with attractive prospects and high quality management teams. [MORE](#)

Our Mission

To generate attractive investment returns by providing private equity to talented entrepreneurial executives to enable them to build great businesses. [MORE](#)
