**FOUNDED IN 1995, GENERATION PARTNERS
PROVIDES EQUITY CAPITAL TO GROWTH
COMPANIES THROUGH BUYOUT AND GROWTH
EQUITY INVESTMENTS.**

We focus on recurring revenue service businesses with strong growth drivers, targeting equity investments of \$10 million to \$50 million. We are long-term investors and have been involved in many of our companies, in both a minority and majority capacity, in excess of 10 years.

We invest in the following sectors: Business & Information Services; Healthcare Services & Technology; and Media & Marketing Services. Within these areas, we frequently develop an investment theme and target specific sectors which we believe are poised to benefit from key secular trends.
