**Do you have \$20,000 to invest?**

**Get Started**

Start building your portfolio - on your own, or with an advisor

# **About The Manager**

Review these videos and documents for more information about our investment strategy  
(also see important disclosures (<http://investmcm.com/disclosures>))

## Compare Fees

Our annual management fee is 0.75% (75 basis points).

Others often charge much higher fees, see examples below (for \$100,000 accounts, in basis points = 1/100s of a percent).

Investors also often pay MULTIPLE fees, such as Advisor on top of high Fund fees. Contact us for details.

See sources. (<http://investmcm.com/fee-sources>)
