

Who We Are

BP Energy Partners LLC is a middle market private equity firm focused on the energy industry. BP Energy Partners brings operating experience, knowledge, relationships and management expertise, in addition to capital, to partner with entrepreneurs, family run businesses and management teams with the goal of growing investments in the energy space.

Portfolio investments within this opportunity set include:

- Investing growth capital across a wide range of energy dependent industries and sectors along the natural gas value chain, including oil field services, midstream / infrastructure, power, logistics / transportation, basic industry, natural gas distribution and consumption.

Alex Szewczyk and Michael Watzky co-founded BP Energy Partners in 2013 as the preferred source of capital within the energy industry. Together they bring decades of energy investment experience as well as deep industry knowledge and relationships. Originally sponsored by T. Boone Pickens, BP Energy Partners can leverage his mentorship as well as years of industry relationships and expertise to cultivate growth opportunities and create equity value for its partners.
