

Investment Advisory and Financial Services

## **ABOUT X-SQUARE**

X-Square is a minority owned and operated registered investment advisor that provides investment advisory services to individual and institutional clients.

Our team is comprised of professional money managers and advisors with extensive knowledge and experience in financial markets.

Our open trading platform gives clients access to institutional markets as well as a broad array of investment options.

# INVESTORS

This part of the website is intended solely for the employees and investors of X-Square Capital. If you are a current investor or authorized user and need assistance, please contact our Investor Relations team.
