

BlueSpruce Investments, LP is an investment management firm with a primary focus on identifying and capitalizing on investment opportunities in the business services, consumer, financial technology / asset management and technology sectors.

The firm's long-short equity strategy seeks to deliver high risk-adjusted absolute returns on capital through the purchase and sale of securities at a meaningful discount to fair value. The investment philosophy combines quantitative analysis, judgement, a fundamental value-oriented private equity research approach and rigorous due diligence.
