Operational Support with Impact

No two organizations are truly alike—that's why one-size-fits-all growth strategies always fall short. From uncovering bottlenecks to unlocking new markets, Hastings® can help get you out of the weeds and into growth mode.

Backing that Has Your Back

Hastings Equity Partners® isn't your typical private equity firm. Forget big egos and stuffy suits.

We've created a culture that values helping portfolio companies the right way—listening to those on the front lines, helping where it makes sense and empowering them to do what they do best. All with a down-to-earth attitude and a focus on true results.
