## The WFG Difference

We are an independent financial planning firm that works with a select number of clients through a comprehensive process, focusing on retirement planning and investment management. We are proud to be one of the few financial planning firms with both a certified financial planner (CFP) and certified financial analyst (CFA) on the same team for our clients. At WFG, in order to ensure the most personalized service, we keep the number of families and businesses that we work with small, so that we know each client personally.

### The CFP Standard

We are proud to offer clients the standard of excellence that is exemplified by the
