### Who We Are

---

Founded in 2012, Five Point is an energy investment firm focused on building businesses within the midstream and energy infrastructure sectors. Led by industry veterans who have had successful careers leading midstream companies, Five Point leverages its “operating approach” to acquire and develop in-basin assets, provide value-added growth capital, and build world-class midstream companies with premier management teams and industry-leading E&P partners.

Five Point targets equity investments ranging from \$10 million to \$500+ million, and has more than \$2.5 billion of capital under management.

### Leadership

---

Five Point has a demonstrated track record of partnering with management teams and E&P companies to build industry-leading midstream franchises.
