

## Product Leadership

“With multiple successes in Silicon Valley, Bob Chen understood that technology leadership is what builds great companies. The ground-breaking products he developed at RAE enabled the company to lead its market.”

- Dave Fishman, Managing Director

Innovative capital solutions for established technology businesses

## Investment Solutions

We were one of the first private equity firms to focus exclusively on technology, and with over 175 years of collective experience in the sector, we see opportunities where others see obstacles.

## Value Creation

Our value creation team is central to our investment approach. For more than 10 years, our portfolio companies have leveraged our deep operational capabilities to drive growth and profitability.
