

Hollis Park Partners LP ("Hollis Park"), founded by T. Troy Dixon in 2013, is an alternative asset manager that specializes in structured products. Hollis Park seeks to produce long-term returns through a combination of long and short positions in a broad range of securitized products. These products include Agency RMBS, Non-Agency RMBS, ABS, CDOs, CLOs, CMBS, equity-related securities, derivatives, total return swaps and various other instruments consistent with our return objectives.
