.....

Disciplined and value-oriented timberland investments for over forty years.

About Us

The Lyme Timber Company LP is a private timberland investment manager that focuses on the acquisition and sustainable management of lands with unique conservation values. Since its founding in 1976, the Company has followed a disciplined and value-oriented approach to investing in forestland and rural real estate in the US and Canada.

[Learn More \(/about/\)](#)

Current Portfolio

Our portfolio includes approximately 700,000 acres with timberland holdings in the Northeast, Appalachian region, California, and US south.
