OUR STORY

Four Corners is one of Chicago's leading hospitality groups that owns and operates unique establishments, each thoughtfully created to offer an authentic social experience, approachable fare and superior service. Established in 2001, we have grown from our first neighborhood bar in Lakeview to our current portfolio of 15 venues in Chicago.

Over the years, we've evolved our portfolio by partnering with prominent industry entrepreneurs such as the Tao Group, Hogsalt, Boka Restaurant Group, Heisler Hospitality and Hickory Street Capital to cultivate one-of-a-kind venues tailored to the local markets.
