## CREATING VALUE IN PRIVATE COMPANIES

Mason Wells is a highly experienced and active private equity investor in companies primarily headquartered in the Midwestern U.S., generating revenues from \$25 million to \$300 million. Since forming Mason Wells in 1998, our buyout funds have invested in four specific industry sectors: consumer packaged goods; engineered products and services; outsourced business services; and packaging materials and converting.

Mason Wells focuses on two key aspects of every transaction:

transition of ownership to help companies and owners realize their potential while preserving legacy and culture.

## **OPPORTUNITIES TO BUILD AND IMPROVE A BUSINESS**

We work in partnership with experienced, entrepreneurial management teams to implement our disciplined and proven Value Creation System and create long-term sustainable value in companies.
