## YOUR WEEKLY DOSE OF MARKET NEWS

08 July 2019

### WHAT'S NEXT?

- The Fed will publish its latest FOMC Minutes and Jerome Powell will deliver his bi-annual testimony on monetary policy before the financial services committee in the House of Representatives.
- Several key countries, such as the US, France, Germany and China, will publish June inflation data MoM and YoY.
- In the UK, the voting process just started and will continue until 21 July. 160.000 Tory members will cast their ballot to choose a new prime minister between Boris Johnson and Jeremy Hunt.
