Founded in 1999, Wynnchurch Capital is a private equity firm with more than \$2 billion in committed capital under management. We provide capital, connections, expertise and experience to help middle-market companies write the next chapter of their growth story.

Where others see complexity,
we see opportunity.

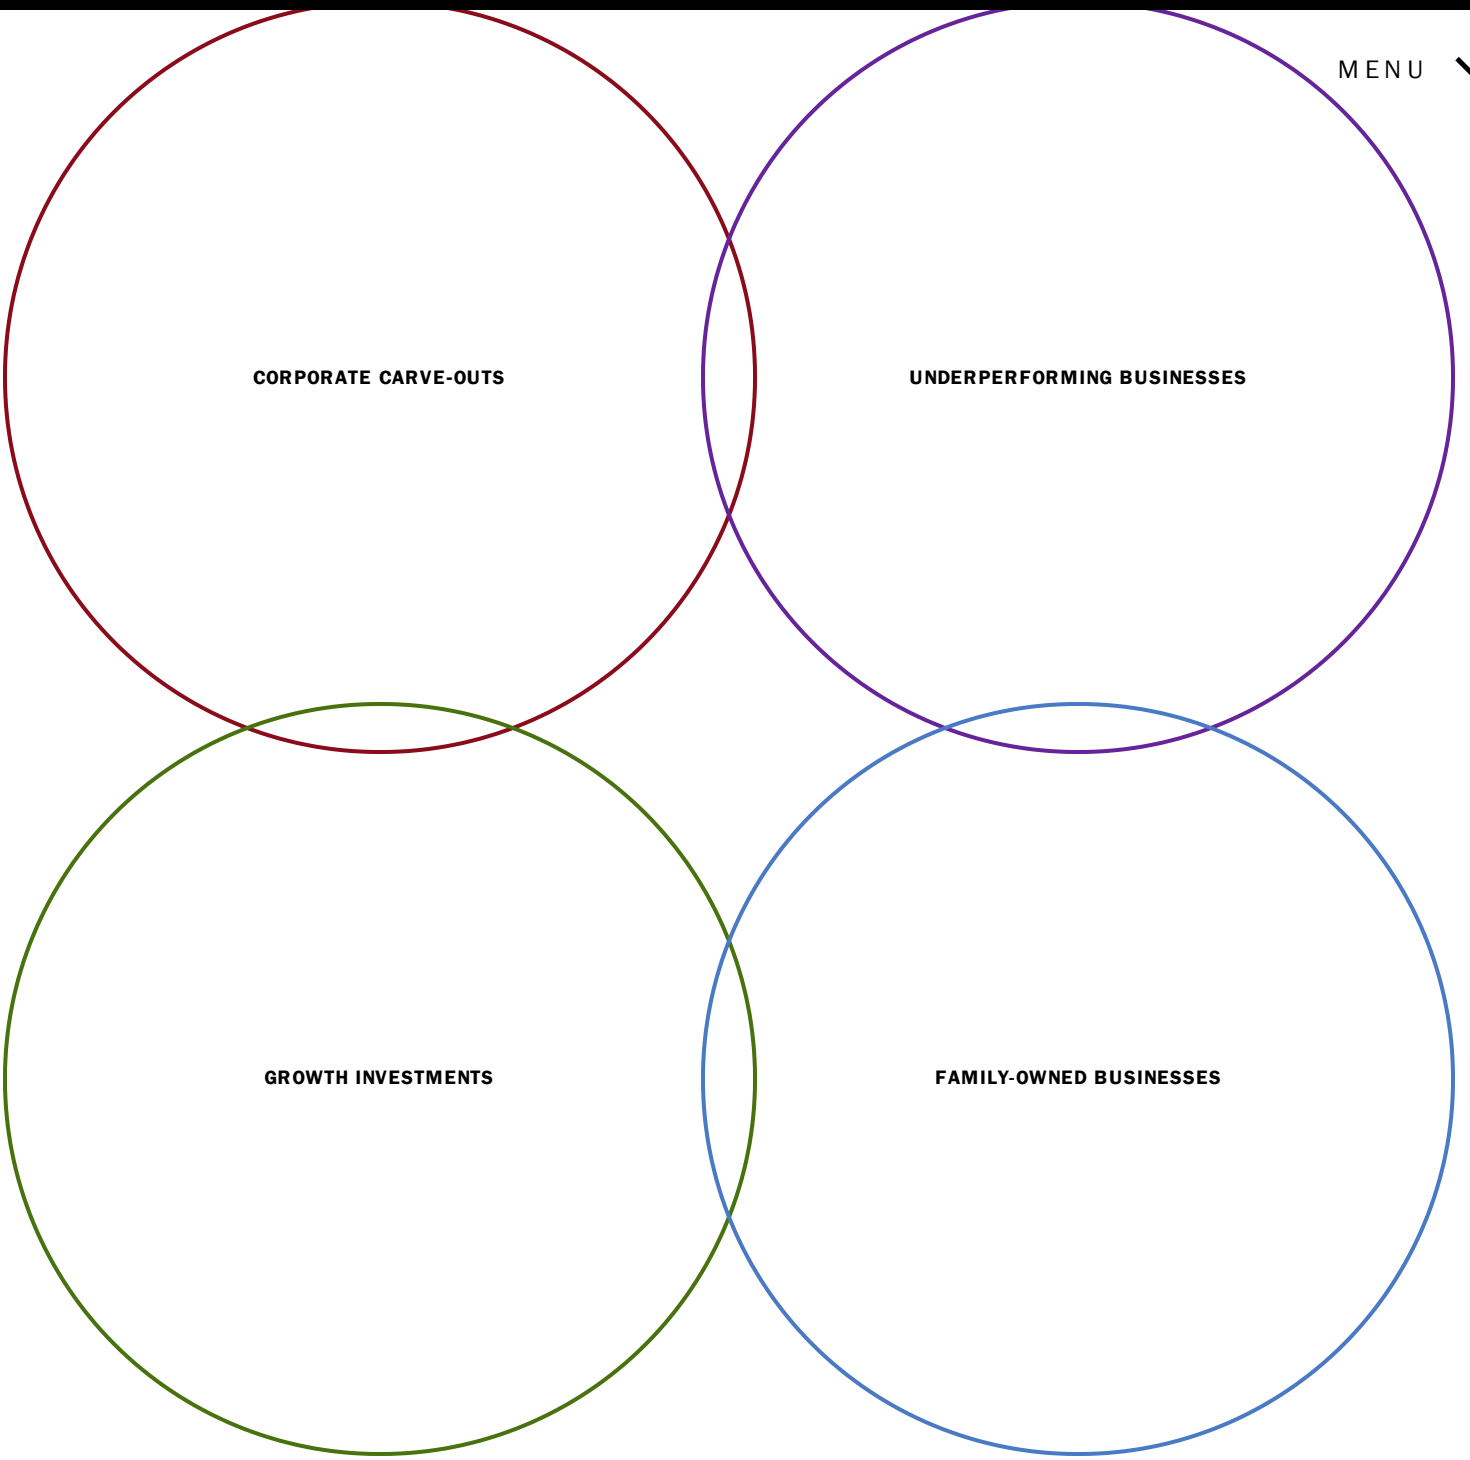

READ ABOUT OUR APPROACH +

At Wynnchurch, we see challenges as opportunities. We dig deeper from day one to see beyond risks and complexities that can drive other financial partners away.

We seek to make equity investments from \$10 million to \$200 million in companies with up to \$1 billion in annual revenues. Targets include corporate carve-outs, underperforming businesses, growth situations and family businesses in transition.
