

**FitzRoy Investment Advisors** is a multi-family office based in Miami, Florida.

We are an independent firm that provides investment advice to high net-worth families and individuals.

We offer non-discretionary investment advisory services such as asset allocation, manager selection and portfolio construction.

We have an 'open architecture' business model that aims to maximize the number of investment products that are available to our clients.

We do not receive compensation from any custodian or investment manager, with the aim of eliminating financial incentives to recommend the products of any particular firm.

FitzRoy Investment Advisors LLC is an SEC-registered firm and offers investment advisory services to US persons<sup>1</sup>.
