Dwight Securities Management ("DSM") is a Registered Investment Adviser that manages Dwight Bridge Fund.

Dwight Bridge Fund, LLC ("DBF" or the "Fund") is an actively-managed debt fund specializing in the origination, financing and placement of short term loans across a variety of commercial real estate asset classes. DBF utilizes an extensive underwriting and origination team to evaluate potential opportunities throughout the United States, with a focus on secondary and tertiary markets that are underserved by other lending institutions. DBF targets sponsors showing a high level of experience in their respective asset classes and projects with a well-defined and proven exit strategy. Through the use of multiple long-term financing lines, the Fund seeks to provide its investors with a stable return from a portfolio of short-term commercial real-estate loans.
