# Loved by our members

Read some of our 35,000+ 5-star reviews

## Qapital

Love this app!! It does all the work for you and NOW even has investing for people with just a bit to invest.

Oomie55 • 11 Jun, 2018

## Without even realizing it...

...you save up for what you want. It's great. I love the additional features, such as the 52 week savings or create your own rule. The customer service support is awesome too!

Janet S. • 14 Sep, 2018

# Qapital in the media

## Forbes

“Qapital offers portfolios that match the length of the goal with how to invest...What’s the advantage of the goals-based approach? It helps temper spending.”

[→ Read article](#)

## TechCrunch

“Using certain principles of behavioral economics, Qapital tries to encourage users to save money towards goals and make better financial choices overall.”

[→ Read article](#)

## FASTCOMPANY

“Qapital has helped millennials save money. Now it wants to help them invest ”
