Secure your
financial
future

Hello and welcome, I'm Rachel. Here at Sloan Advisory Group, we focus on helping clients make smarter decisions for their financial lives. Our clients include individuals in all stages of years of retirement, currently retired individuals, widowers, and young professionals. I've dedicated decades of my life to the world of finance. I specialize in and advising clients on how to reach their financial goals.

Weaving together the financial pieces of your life to a strong foundation and a meaningful financial plan is one of what we do. Our plans are tailored to guide you through your financial future and to inspire you to move

Move Forward with Confidence

You don't need to become a master investor understanding the intricacies of the investment market (that's what we do for you can if you'd like), but you do need to be empowered by your own financial plan. Using our financial planning experience, we know how to use modern financial planning strategies and a wealth of wisdom to guide clients on moving forward with confidence. Learn more about how we can help you schedule time to have a real conversation with us about you and your situation.

DIRECTION

What is your goal? And how are you going to get there? For years we have used our trademarked Journey Through Retirement® and Journey Through Widowhood™ to help clients define, build and secure their financial futures.

GUIDANCE

Every meaningful client relationship starts with a great conversation. We use a collaborative style to open new doors of possibility and educate clients. Our goal is to build lifelong partnerships, guiding you through life changes and challenges.

CONFIDENCE

With so much information out there, how do you make sense of it all? With more than two decades of experience, we know what works. We also know when advice matters most in guiding clients to confidently control their financial life.
