Diversified Credit Strategies

With a track record of credit preservation, Prytania Asset Management manages a range of risk, return and currency hedged strategies in both open ended fund format as well as bespoke client mandates and "fund of one" strategies for asset managers, pension funds, insurers, local authorities and HNW's predominantly based in UK, Europe and the US. As at 30th September 2017 Prytania's asset under management were in excess of \$1 billion.

Our open ended funds strategies include:

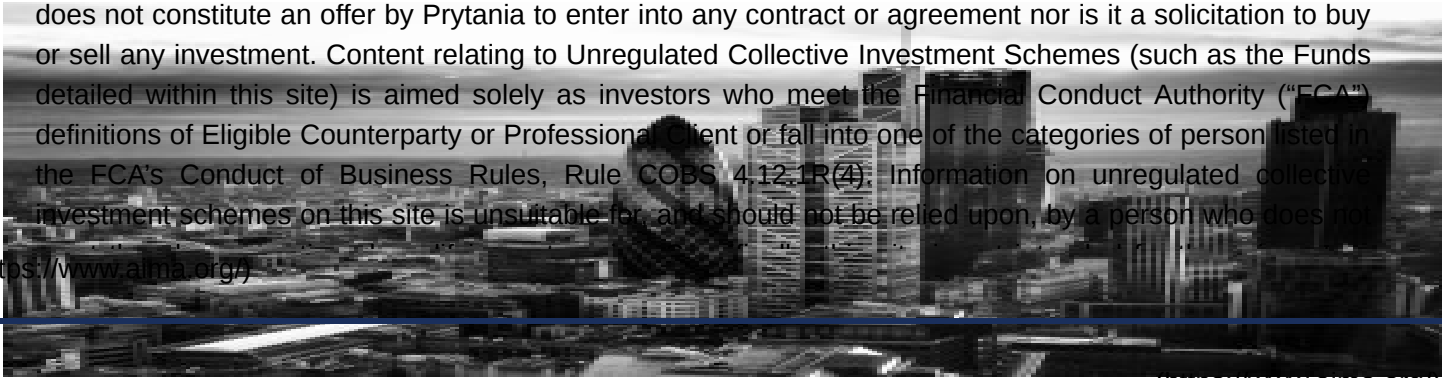

Metra Fund – Senior Structured Credit in a diversified, low risk and liquid format

Galene Fund – Global Investment Grade Assets, focused medium risk

Athena Fund – Global Credit Opportunities exploiting exceptional value across the structured credit universe
