ENABLING THE REAL ECONOMY

We are private business finance specialists.

Bay Point Advisors is a privately held firm specializing in short-term, secured lending to small- and medium-sized businesses. Our firm is comprised of two complementary divisions - our secured lending group and our asset management group. Select from each below to learn more about how we can help finance your small- to medium-sized business.

SECURED LENDING

We partner with your business to create custom funding solutions to meet the unique capital needs of your business.

ASSET MANAGEMENT

Our asset management group provides high net-worth individuals and institutional clients direct access to higher yielding alternative credit markets which are difficult to source, under-served, and historically less efficient.
