

A nighttime photograph of a city waterfront. In the foreground, a cobblestone walkway leads along a stone pier with a heavy metal chain railing. The water reflects the warm lights of the city buildings in the background, which are illuminated against a dark sky. A street lamp is visible on the left side of the walkway.

Pathlight Capital is a privately held commercial finance company dedicated to meeting the needs of companies that operate across a broad range of industries by providing asset-based loans secured on a first or second lien basis against tangible and intangible assets. Pathlight provides creative financing solutions to allow management teams to access incremental liquidity for the purposes of funding working capital, debt refinancings, growth, acquisitions, dividends and turnaround strategies.
