

Graticule Asset Management Asia is a global alternative asset manager founded by Adam Levinson. Graticule Asset Management AsiaSM services provide for the management of alternative investment strategies that pursue superior risk-adjusted returns surrounding distinctive, Asia-related macroeconomic themes. Headquartered in Singapore, the company has offices in New York, San Francisco and London.

GAMASM services are provided through regulated affiliates that are registered in the U.S. with the Securities and Exchange Commission. Its U.S. affiliate is registered with the CFTC, its Singapore affiliate is licensed by the Monetary Authority of Singapore and its U.K. affiliate is authorized and regulated by the Financial Conduct Authority.
