## WHO WE ARE

Falcata Capital is a Houston-based private equity firm investing in software and technology-enabled services across a wide array of industries. With an initial fund of \$1 billion in committed capital, we are poised to invest in companies that can benefit from our extensive knowledge and resources. The Falcata management team is highly experienced in successfully running and profitably growing software and technology companies. In addition, the team possesses a successful track record in technology acquisitions, acquiring more than 25 companies in the past five years and more than 50 companies in the past 20 years.

Our goal is to help entrepreneurs turn their ideas and visions into successful companies through fundraising and operational guidance. As a results-driven organization, we are constantly looking for ambitious and visionary leaders with the drive and flexibility to take their company to the next level, and we are more than willing to provide our partners
