As personal financial professionals, we can:

- Help you clarify and define your goals
- Recommend solutions designed to fit your needs
- Deliver timely information
- Explain how changing financial conditions affect you
- Monitor your financial progress
- Help make investment planning easier

Our website is an information resource designed to help you learn more about personal finance. We hope your visit will help you understand the opportunities and potential rewards that become available when you take a proactive approach to your personal financial situation. You will find a variety of articles, calculators, and research reports that we hope will answer your questions or stimulate your interest.

If you have any further questions, please call us **(217) 542-7700** or e-mail us. We will be happy to help and look forward to talking with you.

## Financial Planning: Helping You See the Big Picture

Financial planning is a process that can help you reach your financial goals by evaluating your whole financial picture.
