

# LIFE SCIENCE INVESTING

We are Abingworth, a transatlantic bioscience investment firm with a deep understanding of both the science and markets we invest in.

[Explore our Portfolio](#)

For over 30 years, Abingworth has  
been working alongside  
entrepreneurs to develop their ideas  
into products that have a dramatic  
impact on health. With a broad  
approach to backing  
start-ups in drugs,  
and support from

# THE ABINGWORTH DIFFERENCE

## Collaborate

From decades of experience, we understand that one of the keys to building a great company is true partnership between entrepreneurs and their investors.

## Innovate

Helping clever and committed people turn scientific breakthroughs into significant

rewarding endeavours.

## Create

By harnessing advances in life sciences, we have built a succession of companies and helped to create one of the world's most vibrant and important industries.
