MAXISSM Nikkei 225 Index Fund to Close (</index.php/9-ab/24-maxissm-nikkei-225-index-fund-to-close>) [Link to Supplement to the Prospectus](#) (<http://www.sec.gov/Archives/edgar/data/1499655/000089706916000686/cg697.htm>)

About Precidian Funds

Precidian Funds®, a wholly owned subsidiary of Precidian Investments®, is a leader in the creation of innovative financial products, specializing in Exchange Traded Products (ETP) including active, commodity, currency, fixed-income and managed distribution ETPs. Expertise in product structuring, trading, clearance, sales, technology, and securities law, enables Precidian Funds to efficiently design and build next generation financial instruments. The principals of Precidian provided the intellectual capital and execution in the development of the groundbreaking gold ETF, SPDR™ Gold Shares and developed the world's first platform of currency-backed ETFs, CurrencyShares.
