iBillionaire Capital LLC is an SEC registered investment advisor. See sipc.org for more details. By using this website, you accept our Terms of Use and Privacy Policy. Before investing, consider your investment objectives and iBillionaire's charges and expenses. Historical performance is not a guarantee of future returns. Any historical returns, expected returns, or probability projections may not reflect actual future performance. All securities involve risk and may result in loss. Not endorsed by, affiliated with, sponsored by, or fully reflective of the "billionaires" or their companies. The information contained on and used by our site and in our apps includes the names, brief biographical information, and references the companies of certain persons whom iBillionaire has identified from publicly available information as high net worth and financially sophisticated personal investors, most of whom are public figures. iBillionaire does not communicate with and is not supported or endorsed by or affiliated or associated with any of these individuals or their companies. To the extent these individuals use their names or the names of their companies as trademarks, such trademarks belong to their respective holders, and iBillionaire's use of the same does not imply any affiliation with or endorsement by them. Information about the investments of the listed billionaires is limited to that which is publicly available in regulatory filings and may not provide a complete picture of each of their personal investment strategies. Daily and annual performance rates for the billionaires are calculated based on this limited information and will not accurately reflect each billionaire's personal investment return. In addition, certain information is gleaned from filings made by companies substantially owned or controlled by one of the billionaires, which we have attributed to the billionaire personally.
