Front Barnett Associates LLC is a Chicago-based, employee-owned investment counseling firm registered under the Investment Advisers Act of 1940. The firm was founded in 1994.

The firm provides customized equity and fixed income investment management for high net-worth individuals and their related portfolios.

We strive to assist clients in achieving their financial goals by building strong and enduring relationships, while delivering competitive risk-adjusted after-tax returns on clients' assets under our supervision.
