

Who We Are

The TownSquare investment platform is a flexible chassis designed to augment our client's current investment program. Our clients include **Wealth Advisory Firms** and **Institutions** such as **family offices, corporations, endowments, foundations** and **governments**. Our services are offered a-la-carte or as a turn-key investment and operations team.

What We Do

Our clients rely on us for money manager vetting, portfolio construction and management, efficiency and structure audits, tax optimization, and our full-service trading operations including traditional execution and model-delivery. For full-service clients we also oversee compliance and back-office functions such as fee-billing, reporting, etc.

Our Philosophy

We seek to add value to client portfolios with best-of-breed, strategically unique investment and trading strategies while optimizing the relative risk, cost-efficiency, and tax impact on their portfolios. We believe there are no shortcuts or gimmicks to wealth creation; great investing is the result of buying high-quality assets at compelling prices.
