SOUTHEASTERN ADVISORY SERVICES, INC.

Registered Investment Advisor

(<http://seadvisory.com>)

OUR PHILOSOPHY

Our firm provides performance measurement and related investment consulting services in a conflict-free business model. We assist public funds, corporations, endowments, foundations, and high-net worth families in meeting their investment objectives. We deliver customized investment solutions to each client through rigorous research, industry-leading tools and tireless attention to detail.

CONSULTING TOOLS (<http://seadvisory.com/consulting-tools/>)

EXPERIENCE YOU CAN TRUST

Our consulting team is a powerhouse of knowledge and experience in the industry. Combine that with our 7:1 client to consultant ratio and you'll see that our investment consulting services are unsurpassed.
