

# Private Equity Approach to Public Market Investing

**Praesidium Investment Management Company, LLC** is a value-oriented investment firm that applies a private equity approach to investing in the public markets. Praesidium manages long-term capital for endowments, foundations, family offices and other institutional investors.

> PRAESIDIUM STRATEGIC OPPORTUNITIES STRATEGY (/STRATEGY/)

*"Your ever-present yet behind-the-scenes diplomacy and information-gathering also gave to us, the board and management, the confidence that your agenda for increasing shareholder value was purely unbiased and analytically-based. We valued your input immensely and never hesitated to use it to the benefit of the company and the other shareholders."*

*– Bradley Larson, Former President/CEO of Meadow Valley Corp.*
