

WELCOME

Lapides Asset Management LLC® is an independent, SEC-registered investment manager offering value-oriented portfolios of smaller capitalization equities. Lapides is a single strategy firm employing a fundamental, research-intensive process. We offer four discrete concentrated products: a portfolio of micro cap companies, a portfolio of small cap companies and a portfolio of small/mid cap holdings, along with a highly concentrated portfolio of companies covering the full spectrum of smaller capitalizations.

The firm's investment products are offered to institutional investors, family offices and high net worth individuals through commingled investment vehicles and separate accounts. Our clients and their advisors are our partners in this enterprise. Lapides' objective is to consistently generate superior absolute performance with less-than-market volatility over the long term.

This website is intended to provide an overview of our firm. Please do not hesitate to [contact us](#) should you have further questions or would like additional information.
