

(<https://www.dover-partners.com/wp-content/uploads/2014/11/dcover.gif>) Welcome to Dover Partners, a Registered Investment Advisor providing you disciplined investment management along with superior personal service.

At our website, you'll discover why an individually managed account with Dover offers so many advantages over a mutual fund (<https://www.dover-partners.com/faq/>) or a money manager with whom you rarely have contact and read our market commentary in our newsletter – *MarketLine* (<https://www.dover-partners.com/marketlines/>).

(<https://www.dover-partners.com/wp-content/uploads/2014/11/compass.jpg>) Dover acts as your “compass”, guiding you through the investment markets toward your destination – the achievement of your investment goals.

Dover's portfolio managers assume the daily management responsibilities of your account. Dover directs all trades on the market exchanges (e.g., NYSE (<http://www.nyse.com/>), NASDAQ (<http://www.nasdaq.com/>), etc.) through your designated broker. Your assets are custodied with that broker or can be held at a trust institution of your choice.
