## Coordinated Financial Planning is a **personal** Fee-Only Registered Investment Adviser.

We have a vested interest in growing and protecting your asset base. The fee we charge is a percentage of your account value, so our success in growing and protecting your account is paramount to our success as a business. Our interests are aligned, unlike most commission-based financial professionals. We offer no cost, no hassle consultations to prospective clients with \$200,000 or more to invest. Give us a call today!
