- Welcome to Deighan
- Deighan Wealth Advisors is an independent, privately-owned investment advisory and financial planning firm dedicated to providing thoughtful financial advice to people who want to better their lives. Our staff has the combined knowledge and tools necessary to meet a wide range of investment and financial planning needs. Founded on the belief that investors deserve insightful, objective, and unbiased advice, our firm is committed to providing clients with the highest level of service and respect. We are a fee-only firm, which means that none of our employees may charge or accept commissions, referral fees, or transaction-based income from loads, sales charges, or markups. As fiduciaries, our customized recommendations are always based solely on what's best for our clients.
