## Your Fiduciary Advisors

We're a team of Certified Financial Planner™ professionals delivering objective advice and total wealth management. As fiduciary advisors, we adhere to the highest legal and ethical standards,

and put your interests ahead of our own.

This fiduciary duty is an important distinction. As much as advisors claim to be client-centric,

### Timing Isn't Everything

July 8, 2019

Over the course of a summer, it's not unusual for the stock market to be a topic of conversation at barbecues or other social gatherings. In fact, it's pretty common these days!

### June 28, 2019 Weekly Market Recap

June 28, 2019

The S&P 500 declined 0.3% this week, but still increased 6.9% this month to record its best June since 1955. Price action reflected some consolidation in front of the G-20 meeting between President Trump and President Xi after Friday's close.
