

High Conviction

Mark Asset Management

About

Founded in 1985, Mark Asset Management is an independent, SEC-registered investment adviser based in New York City. The firm manages high conviction, growth oriented, long/short strategy and long only strategies.

We have a team oriented and collaborative research process. We seek to invest in great businesses that will benefit from significant structural trends and disruptive technologies. These companies are led by experienced management teams that have meaningful shareholder interest alignment.

Strategies

Focus. Research. Judgment.
