Mutual fund investing involves risk. Principal loss is possible.

The Cullen Funds invest in foreign securities which involve greater volatility and political, economic and currency risks and differences in accounting methods. The Cullen Funds invest in medium-capitalization and small-capitalization companies, which involve additional risks such as limited liquidity and greater volatility.

The Cullen US Mutual Funds are offered only to United States residents, and information on this site is intended only for such persons.

The Cullen UCITS Funds are offered only to non-United States residents, and information on this site or any site redirected to is intended for only such persons.

Nothing on this web site should be considered a solicitation to buy or an offer to sell shares of any Cullen Fund in any jurisdiction where the offer or solicitation would be unlawful under the securities laws of such jurisdiction.

An investor should consider investment objectives, risks, charges and expenses carefully before investing. Download a [prospectus](#) which contains this and other information. Read the [prospectus](#) carefully before investing or sending money.
