## Our Team (/groups)

"The DVI Associates are the real success story of David Vaughan Investments. They work as a team and labor solely for the benefit of our clients. I am pleased and honored that they wish to carry on the tradition of DVI value investing that I began so many years ago." David J. Vaughan, Founder.

## WHAT WE DO

## Our Approach (/our-approach)

Our goal is to achieve simplification for our clients. Whether the client is a high net worth individual or a sophisticated institution, it really all comes down to identifying what is important, developing a plan to reach those goals and creating understandable reports to measure progress against those objectives.

## Our Process (/our-process)

Building and implementing an investment plan is just the beginning of our commitment to service. The DVI team works closely with each client to monitor their investment performance and wealth management needs, making the ongoing changes necessary to ensure the attainment of their long term goals.

## Our Strategies (/our-strategies)

It is impossible to determine one asset allocation that would be appropriate for all our clients. Every one of the individuals, families, and organizations we are fortunate enough to list as clients have unique circumstances that dictate a portfolio that is appropriate for them. Visit the Our Strategies page to learn more about our Equity, Balanced and Fixed Income Strategies and see if one may be right for you.

## WHO WE SERVE

## Our Clients (/current-clients)

Our business is personal and we want to keep it that way. Our client growth is more of an indication that we have done a few things very well and the marketplace has been receptive to our willingness to do things differently, as we say “Daring to be Different.” We got here the old fashioned way: sticking to our knitting, working hard, willing to be innovative and keenly focusing on our clients’ needs.

## Prospective Clients (/prospective-clients-individuals)

Are you a high net worth individual or part of an institution looking for financial guidance? Go to our Prospective Clients pages to learn more about DVI and see if we are right for you.

## DVI in the Community (/community)

A big part of DVI's culture is a commitment towards giving back, a legacy left to us by DVI's founder. In addition to our annual fall fundraiser to benefit South Side Mission, countless hours of volunteer time are committed by the Associates of DVI to a number of worthy charities.
