OUR STORY

Sam Bain distinguished Bainco as a wealth management firm focused on holistic and objective asset management at a time when transaction-based investing was the norm.

MEET OUR TEAM

Our employees are part of seasoned, professional teams that care for and respect Bainco clients and each other.

OUR HISTORY

Bainco was founded in 1987 on the premise that significant assets demand attentive management.

PORTFOLIO STRATEGY

We manage customized portfolios for families with unique requirements; founded

WEALTH STRATEGY

A well-designed plan provides for a lifetime of possibilities and the legacy our clients deserve.

INVESTMENT PROCESS

Bainco's investment approach allows us to customize to distinct financial circumstances

Spring 2019 Investment Commentary

Despite the many advances in technology and accessibility of information, markets are incredibly hard to predict. Few, if any, predicted the market correction..

Winter 2019 Investment Commentary

Growth may slow... but a deep recession or bear market does not seem imminent.

Employee Spotlight: Mark O'Keefe

What a year it has been for our long-time CFO, Mark O'Keefe! For nearly twenty years, Mark has helped his partners at Bainco navigate the growth of the firm...
