## TO WORK OR NOT TO WORK: NO LONGER THE SOLE RETIREMENT QUESTION

### FINANCIAL PLANNING

Retirement is changing. The idea of retirement is no longer a binary decision of choosing to work or not work. The idea is increasingly morphing into a discussion of flexibility. When can I afford to scale back? Can I do it sooner rather...

## **CLOSING THE RETIREMENT SAVINGS GAP: 3 WAYS TO CATCH UP**

### **FINANCIAL PLANNING**

Do you feel behind in your retirement savings? If everyone had to do it over again, we'd all start saving 10-15% of our income at the outset of our careers and continue uninterrupted until that magical retirement date decades into the future....

## A VISIT TO MARIN'S BUCK INSTITUTE

### CLIENT EVENTS

To maintain a healthy body and healthy mind is what we all want as we age. Earlier this year, we invited our clients to join us on a private tour through the Buck Institute to learn more about healthy aging and the work they do to help all...
