Grimaldi Portfolio Solutions, Inc. (“**Investment Adviser**”) is an investment advisor firm with its principal place of business located in New York. **Investment Adviser** and its investment adviser representatives are in compliance with the current registration requirements imposed upon registered investment adviser firms by those states in which we maintain clients. **Investment Adviser** may only transact business in those states in which it is registered or qualifies for an exemption or exclusion from registration requirements.

Even no-load funds will carry fees that the investor must pay. All mutual funds carry one form or another of such fees and expenses, and the difference comes in how and when these charges are paid. Rather than charging an investor upfront, at the time of purchase, no-load fees earned are part of a fund's average expense ratios (ER).

This website is published in the United States for residents of the United States. **Investment Adviser** is not soliciting business in international jurisdictions where it is not registered.

Past performance is not indicative of future results. Therefore, no current or prospective client should assume that future performance of any specific investment or investment strategy (including the investments and/or investment strategies recommended or undertaken by **Investment Adviser**) made reference to directly or indirectly by Investment Adviser in its website, or indirectly via a link to an unaffiliated third party web site, will be profitable or equal the corresponding indicated performance level(s).

Different types of investments and/or investment strategies involve varying levels of risk, and there can be no assurance that any specific investment or investment strategy (including investment strategies detailed on this website by Investment Adviser) will be either suitable or profitable for a client's or prospective client's portfolio and may result in a complete loss of principal.
