

IN OUR INDUSTRY,

# Perspective Matters.

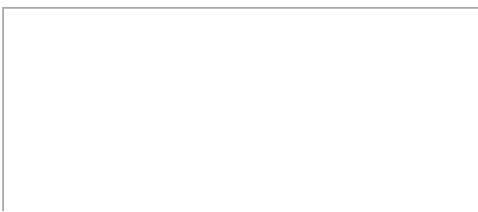

So does trust. And transparency. At Sage, we value the development of client relationships just as much as the development of sound investment strategies. Personalizing business is just how we do things in Austin. Pairing strategy with sincerity. Performance with partnership. That's the Sage perspective. And one you won't find anywhere else.

SEE FOR YOURSELF

## A TIME FOR CONCERN: BOND MARKET COMMENTARY

Since the 2016 U.S. Presidential election there has been a surge in risk appetites as investors have reduced their preference for high quality, low risk liquid investments.
