## CIM Investment Management, Inc.

### Investment Portfolios Designed to Meet Your Financial Objectives

An independent, privately owned, registered investment advisor, CIM Investment Management, Inc. provides equity and fixed income investment management to a diverse institutional clientele.

To learn more, [contact CIM Investment Management, Inc.](#) today.

### The Expertise you Need, the Service you Deserve

Our professional team at CIM has developed investment strategies that provide reduced volatility and reduced turnover, all while maintaining a market performance few financial managers can surpass.

While diligently working to control risk, CIM is also able to offer reduced fees and commissions.

At CIM, we pride ourselves on maintaining exceptional communications with our family of clients, including personal follow-up, regular reviews, quarterly reports, and newsletter updates.

- A focus on achieving reliable, long-term results.
- Asset allocation customized to each client's requirements.
- Value added through multiple strategies, including allocation, sector emphasis, and security selection.
