Research

GlobeFlex Research India Pvt. Ltd (GRI) is a wholly-owned research subsidiary of GlobeFlex Capital, L.P., focusing on fundamental and quantitative investment research.

GRI currently provides fundamental research on more than 1000 under-covered companies across more than 25 countries. Our dedicated team of industry analysts sources, cleans and consolidates financial information on these uncovered companies, along with projecting future earnings estimates. GRI also provides quantitative research and technology expertise, working in collaboration with GlobeFlex Capital's portfolio management team.
